## PROJECTS

- **Portfolio Website:**  
It is a website that serves two purposes:
  - It showcases all of my projects and skills.
  - If someone wants to build a project and has an idea in their mind then the person can contact the admin through this website.This website is made using mern.  
Check out my portfolio website: <http://portfolio-prt0003.herokuapp.com/>
- **Blog Website:**  
It is a website where a person can upload his blog. There are different categories available like music, movies, sports, technology, and fashion. One can also add pictures of one's own choice. This website is made using mern.  
Check out my blog website: <https://prt003-blog.herokuapp.com/>

## WORK EXPERIENCE

### MARPU FOUNDATION

Web development intern.

I was responsible for organizing the footer section of a website and completed the internship within time.

Here is my Certificate of selection:
